

Online Medical Tint Waiver Application process.

Delaware Division of Motor Vehicles (DMV) no longer processes tint waivers in person at DMV locations. All applications must be completed through our online application process.

First Time Applicants

- Go to dmv.de.gov and click on the Medical Tint Waiver banner or scan the QR code.
- Once you enter the required information, print the completed application.
- Take the application to your physician to sign and approve.
- All pages of the Medical Tint Waiver including the physician's certification page must be uploaded through the link provided in the 'Submit Completed Tint Waiver' email for final approval.

NOTE: When applying for a Medical Tint Waiver for the first time, you can include up to four vehicles (4) as long as they are registered in your name.

Adding Additional Vehicles to a Current Waiver

- Go to dmv.de.gov and click on the Medical Tint Waiver banner or scan the QR code.
- Enter first name, last name, and e-mail address and click on next
- Select **Add New/Additional Vehicle(s) to An Existing Approved Tint Waiver**

NOTE: You can add up to four (4) additional vehicles to your current tint waiver per application.

Before you start your online application, please ensure:

- The title and registration of the vehicle(s) are in your name.
- You have your registration card(s) in front of you
- You have access to a printer
- If you are requesting a Medical Tint Waiver for a non-owner usual operator and/or passenger in your household, you will also need their Delaware identification number, drivers license number, and date of birth.
- Your current address is listed on your registration card. If necessary, you can update it via mydmv.de.gov prior to starting the Medical Tint Waiver application process.

If you require an ADA accommodation or for more information regarding the tint waiver process, you can contact the DMV directly at 302-744-2500 or by email to DOT.Tintwaiver@delaware.gov.
