**HELP SUPPORT DELAWARE'S
MARINE MAMMAL & SEA TURTLE RESCUE & CONSERVATION**

Purchase the Marine Education, Research and Rehabilitation Institute, Inc. (MERR) License Plate, and your dollars will immediately be used to support continued research and rescue efforts of marine mammals and sea turtles. There is a one-time purchase price of \$50 for this special plate.

FOLLOW THESE EASY STEPS

1. The MERR License Plate may be displayed on cars, SUVs or trucks, except for IRP apportioned vehicles.
 - The regular plate number or vanity plate assigned to your vehicle can be displayed on this plate.
 - Other special plates (alumni, organizations, handicapped, retired police, etc.) cannot be displayed on the MERR plate. You may, however, purchase a MERR Plate (using your regular plate number) for the rear of your vehicle and use your special plate on the front.
2. Complete and sign the application on the reverse side of this form.
3. Send your completed application and \$50 check or money order to DMV Dover Lane, Specialty Plate, PO Box 698, Dover, DE 19903. The check must include 1.) Name and address, 2.) Driver's license number and 3.) Daytime phone number to reach you if we have any questions.
4. The Division of Motor Vehicles will mail your plate directly to your mailing address. Upon receipt, you may replace your old plate with your new plate. It is not necessary to return your old plate. Please allow approximately six weeks for delivery.

Important Notice: When a vehicle is sold (transferred), the plate number goes with the vehicle unless you retain the plate prior to the sale. In order to keep your plate, you must appear at DMV with the title to your vehicle to place the plate in retention. This plate is not transferrable to a new owner unless a new application is submitted with applicable fee. Please contact your nearest DMV Lane for further information.
